

## **LIBRARY TEEN ADVISORY BOARD LETTER**

The Woodland Library Board of Trustees would like to extend our deepest thanks and congratulations to all of our extraordinary Teen Advisory Board Members who will graduate from high school this year. The board of trustees would like to acknowledge the important part that you have played on the teen advisory board and in our community. Your participation in our programs and your leadership in implementing our programs speaks to the commitment that you have to exercise leadership and your willingness to be excellent role models in our community.

Although the pandemic and social conditions have changed how your graduation and senior year has been celebrated, nothing can take away the fact that you have all accomplished a great deal in your four years of high school and that you have shown great leadership while participating in our Library programs. The Board of Trustees are forever grateful for your energy, creativity, and participation. We have full confidence that you will be difference makers in the future and we look forward to hearing about your accomplishments!

It is with deep gratitude that the Woodland Library Board of Trustees wishes you the best in your future plans. Congratulations and thank you for your service!
